You can rely on us and consider us your number one platform for international trade between Russia and the world!

GOODS IMPORTED INTO RUSSIA

In fact, Russia is a consumer market that is growing considerably, making it a very appealing location for a wide variety of products and an infinite number of exporters located all over the world. Below are the products for which we coordinate the import into Russia:

- Clementines
- Oranges
- Lemons
- Tomatoes
- Frozen fish
- Canned fish
- Fish meal
- Edible Argan oil
- Cosmetic Argan oil
- Olive oil
- And any other products as per your needs and requests!

GLOBAL NETWORK

Our goal is to open the door of this large market to the millions of producers and suppliers located abroad, while meeting the international trade needs of Russian importers. The following are the countries in which we currently have exporters or in which we are developing our expansion:
